Afterword

It was just about a year ago that I was allowed to draw a story for a business-themed manga volume.
It feels a little as if I was able to calm down as the stories were slowly assembled together in one place.
Managing editor Yamasaki-sama, everyone at the editing department at BABY, designer Kawana-sama. Everyone who had a hand in this book.
And everyone who picked this book up.

I couldn't have done it without you. Thank you very much.
